*Programming for 3 year olds is 2 half days per week (Monday through Thursday) at \$75.00 per month. (Fees are subject to change.)

*The registration fee of \$40.00 is due at registration. (cash or cheque only; sorry the school does not have change) (Fees are subject to change.)

*Bring your child's birth certificate when you register. If you do not have a birth certificate the Department of Education requires that you sign a form stating that you will get one. Those forms are available at the school office.

Alberta Education does not provide funding for Early Education programs, other than for children who have identified needs. Children who experience difficulties in speech, language, hearing, vision, behaviour, and/or motor skills, who meet Alberta Education

requirements, may access early intervention programming within our early education classrooms as follows:

Children identified with mild/moderate delays must be at least 4 years old by December 31 2018.

Children identified with severe delays must be at least 3 years old by December 31 2018.

A current assessment indicating the child's identified area of need is necessary for program placement. Should a child meet the Alberta Education requirements, as well as the age requirements, they may access programming without monthly fees.

Children whose primary language is not English must be 4 years old by December 31 2018 in order to access ESL (English Second Language) supports.
